VCTA PRESIDENT'S REPORT

2023-2024 – A Year in Review

The last twelve months have seen huge changes within our executive team with Lynne Curtis, Garry Cassels, Damien Hutchins, Mark Zielezna, Gary Hayden and Andrew Smith all moving on to other projects in their lives. I wish them all the best and thank them for their time spent in service and commitment to the VCTA over the years.

Another important team to leave us are Jeff and Anne Bell. We thank them for their commitment and dedication to the role of VCTA Secretary and Treasurer.

I would like to welcome Kim Thompson, Andrew Jennings, Brooke Davis, Steve Trembath, James Patterson and Fiona Dobbins to the VCTA. These members have been involved with our sport in several areas including Club, Zone and State for many years and have a wealth of knowledge and experience to extend to our sport and are making a positive impact.

A special mention must go to our Olympic shooters who have shown the world that we are a force. They have made themselves and us proud of their achievements, the pinnacle being Penny Smith of Noorat winning Olympic bronze. Thank you all for your time and effort in promoting the sport.

Also, our members who attended World Championships, you should all be proud of your achievements. Our Victorian team members who participated in the National Championships have shown the rest of Australia that we are a force to be reckoned with.

Our State Ground at Echuca is a pleasure to attend and shoot over. Thanks must go to the Echuca Gun Club members and the groundskeeper.

Although the State Ground has been a wonderful place to shoot over the last twelve months, we have had several issues with the EPA, being waste management, including wads migrating off the site. This issue is now under control with the channel being kept at a low level and the use of a sweeper to collect the wads.

The other issue is a noise complaint that has been received and an EPA order placed on the VCTA and Echuca Gun Club. This complaint is being handled and will take some time to rectify and address.

The EPA has visited a number of clubs across the State and is looking at several areas, the main point of interest being waste management, i.e. wads. I am sure these visits will increase over time and the areas of interest will vary from club to club. We must all consider how we manage our waste and contaminants. I strongly recommend that all clubs have an environmental plan in place, as these go a long way when dealing with the EPA.

Membership continues to be a concern within the sport. As a State body we are aware of this issue and are endeavouring to promote the sport in a positive manner and a family-friendly environment. All clubs and Zones have a part to play in promoting our sport for it to grow and to be accepted by the wider community.

I urge all clubs and members to promote our sport by any means available to them including come and try days, articles in the local papers, and speaking to non-members about the benefits of our sport.

I would like to thank our sponsors, large and small, for their continued support over the years because without their support, we cannot offer quality events. I urge all members to support those who support us because without our sponsors we cannot continue to grow.

I would like to thank all the Zones for their support and co-operation over the last twelve months.

*Yours in shooting
Chris Langridge (Tangles)
President*

THE COMPLETE RANGE

At Beretta, we understand that the right gun can make all the difference. From the Silver Pigeon I DTL to the 694 DTL to the DT11 DTL, our Steelium barrels ensure a more gentle shot with better consistency. With each advancement, a higher grade Steelium barrel means an even more consistent pattering when your shots hit their target. Steelium, Steelium Plus and Steelium Pro, when you need the extra edge, Beretta provides a complete range of competition shotguns to suit any discipline and any budget. It's all about you.
