VCTA PRESIDENT'S REPORT

2024-2025 – A Year in Review

This past year has seen several changes in the members of the VCTA Executive Committee. These changes have continued to improve the State's governance and lead to a strong and committed State Executive. The State Committee boasts a diverse background that has enabled it to steer the VCTA in a positive direction, and to improve our sport constructively, to which I thank all the members, past and present.

Not only do these Executive members represent clubs and zones, but the role of a State Executive also involves overseeing the State's operations, maintaining its grounds, ensuring a strong financial position, supporting State teams in all disciplines, and promoting the sport in general.

Over the last twelve months, the VCTA and Echuca Clay Target Club were served EPA Improvement Notices that threatened the viability of the State Grounds. A loss in this matter may have harmed all Victorian shooting clubs. Working through a VCAT mediation process, an agreement was reached with the EPA.

Interestingly, the VCAT Senior Member reminded the EPA that their "Noise from outdoor shooting ranges guidelines" are just that, guidelines. Therefore, as they are not laws, they cannot be enforced, and the EPA should apply discretion.

The outcome of this improvement notice is that 6 x 40ft containers must be placed on the Echuca State shooting Ground. Four containers will be situated on the north-east boundary, and the remaining two will be between traps 2 and 3. This must be done by December 31, 2025. No other restrictions apply.

There were many players in this project, including Echuca, ACTA and VCTA members, our legal team, yet standing above all was Mr Ted Weeks. Ted's energy, enthusiasm and expertise in managing the affair were fundamental in our achieving this great outcome. On behalf of all VCTA members, Ted, we cannot thank you enough.

Unfortunately, future EPA actions in our sport are likely to affect more clubs. As these actions come at a considerable cost, and in an effort to build an EPA 'war chest', the VCTA Executive Committee has increased the annual membership fee. This fund will be used to assist clubs that encounter EPA issues. A third of this membership increase will be set aside specifically to build this fund.

To all our international competitors, you have once again demonstrated to the world that we can compete at all levels in all disciplines. World rankings show we are a force to be reckoned with. We thank you for all the effort that you have committed to our sport, and wish you success.

Our membership remains steady and it is up to all of us to grow our sport by introducing others to the wonderful sport of clay target shooting. If we can each encourage a new member to join us, whether socially or in competition, we will make the sport stronger

and ensure its future. Another area ripe for development is the 40–50 age group. This group is well positioned to support and grow our sport.

Our sport is inclusive and generational. We must respect all participants and be aware of differing opinions, and, most importantly, remember that this is a volunteer-based sport. All of our volunteers from club level, through to State and National, are all giving their efforts to make the sport better for all of us. Without them, the sport stops. We each owe thanks to these people.

To our sponsors, thank you all for your continued support. Without your support, we cannot continue to offer the quality events that our members expect. Thank you for allowing the sport to grow under your contribution.

I want to take this opportunity to thank all members for their support over the last twelve months. Your support, in my final year as VCTA President, has enabled me to chair this excellent organisation. Thank you.

Chris Langridge
(Tangles)
President

BEAUFORT GUN CLUB INC.

Would like to announce that we are
moving with the times.

Beginning Jan. 2026 our competition
shoots will be day shoots on Saturdays
for Daylight savings months.

We will revert to Friday night Competition when the clocks
go back in April and vice versa in October.

Our Practice / Novice nights will remain on the first Friday
Evening of each month, Feb to Dec.

Please see MCMS for times.

Clay Target Shooting Vests

Numerous styles, cool mesh fabric, large cargo pockets.

Large rear empties pocket (some styles).

Vests stocked 3XS-7XL, Right and Left hand, extensive colour range.

Club, State, National and International team vests.

Tailor made, individual custom styles and fitting. Made to order.

Embroidery and badges.

Wet Weather Shooting Jackets

Shower and wind resistant.

Lightweight polyester fabric, leather gun mount pad, vented rear yoke.

Large cargo pockets and rear empties pocket.

A great option to wearing a rain jacket under your summer vest.

Gun Socks, Sleeves

Full length socks, excellent for guns stored in safes providing added protection against knocks, scratches and bumps.

Allows for improved storage quantity.

2 piece sleeves for additional protection to break down case storage.

Fits most high rib & high comb guns. Up to 32" barrels.

Made of 100% knitted acrylic yarn.

Gun Case Covers

Regular and made to order case covers.

Additional transit protection for your valuable gun case.

Made from durable cordura fabric with built in padding and pockets.

Available with shoulder straps and backpack straps upon request.

Various colours, embroidered for a personalized custom look.

Some common sizes in stock.

THE COMPLETE RANGE

At Beretta, we understand that the right gun can make all the difference. From the Silver Pigeon I DTL to the 694 DTL to the DTII DTL, our Steelium barrels ensure a more gentle shot with better consistency. With each advancement, a higher grade Steelium barrel means an even more consistent patterning when your shots hit their target. Steelium, Steelium Plus and Steelium Pro, when you need the extra edge, Beretta provides a complete range of competition shotguns to suit any discipline and any budget. It's all about you.
